<https://tinyurl.com/kebabonwheels>

Key Skills

JavaScript, HTML5, CSS, React, Written &
Verbal Communication, Interpersonal
Communication, Cultural Competency, Press
Releases, Social Media & Traditional
Marketing, ExpressJS

Objective

I am both tech-savvy & people-savvy as a Junior Developer looking to enter the front-end development industry. I have a number of projects through my GitHub that demonstrate fluency with JavaScript and I have built multiple websites as a freelancer while enrolled in courses with Code Louisville. I am also pursuing further education through Mintbean, Codecademy, & building projects on my free time.

Work Experience

March 2018 – Currently Employed

Communication Specialist • MetroSafe

July 2017 – December 2019

Marketing Consultant • Aeshas African Baskets

August 2016 – March 2018

Teacher • Nur Islamic School of Louisville

- Received multiple recognitions from EMA-MetroSafe for successfully handling extremely stressful situations.
- Coordinated the successful growth of a business from an out-of-home basket selling business to one that initially found its home at Oxmoor Mall & now at the Roots101 African American Museum.
- Collaborated with a team of over 20 different Muslim professionals in delivering necessities to over 200 families in Louisville in response to the early onset of COVID-19 restrictions.

Honors, Awards, & Certificates

January 2018 – Received from Office for Globalization [part of Louisville Metro Government]
Louisville Welcome Academy Certificate

June 2018 – Received from Guiding Light Islamic Center
